Our Katrina experience was:

As the storm approached we evacuated to my sisters house in Diamondhead as we stayed close because my husband, who works for the power Company, had to report to work right after the storm. My boys went to stay in Starkville. We were out of power & water at my sister's for about 2-3 weeks. (see attached sheet)

Write something special that you would like Santa to bring you or your family:

Steve - Gas Grill / Tools

Kathy - Sewing machine

Stephen - lap top Computer w/ wireless printer - 26" Bike

Timothy - lap top Computer w/ wireless printer - 26" Bike

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

A couple of days after the storm, we were able to get to Waveland, only to find that where we lived, south of the tracks, was totally gone!! The only thing we have left of our home + belongings is a concrete slab, as so many others in my community.

Through all the destruction + devastation Katrina left, we are blessed to have our family safe...

Waveland will return!
